PREMIUM AND TAXATION INFORMATION

Premium calculation

Your premium is determined by 2 factors:

- the **Benefit Amount** chosen - premiums increase as your level of cover increases; and
- the number of **Life Insureds** under the **Policy**.

An additional premium applies per **Insured Child** if optional Children's Cover is included on your **Policy**.

You can obtain a quote for Let's Insure Accident Cover in less than a minute by calling 1300 355 355 or by visiting letsinsure.com.au.

Your premium will be shown on your **Policy Schedule**. You must pay your premiums when due. To assist with your budgeting, you can choose to pay your premiums annually, monthly or fortnightly, at no additional cost to you. Your premium will be charged to your nominated credit card or bank or credit union account. Premium payments must be made in advance, in Australian dollars.

You can change your nominated account at any time by calling Let's Insure on 1300 355 355.

Changes to your premium

Your premium will be determined each year at your **Policy Anniversary** to reflect any inflation-protection increases in the **Benefit**

Amount (explained on page 14), unless you decline the inflation-protection increase.

Premium rates are not guaranteed and we may change the amount we charge for your cover under this **Policy**, but only if we change the premium rate applying to all Let's Insure Accident Cover policy owners (or all Let's Insure Accident Cover policy owners in the same group). If we make a change to your premium rate we will send you written notice at least 30 days prior to the effective date of the change, and that change will only be effective from the next anniversary date of your **Policy**.

Stamp Duty and Tax

Your premium includes amounts for stamp duty and any other taxes that may be imposed by State, Territory or Federal Governments. GST is not charged on your premiums. In the event that any of these amounts are altered, we reserve the right to alter your premium amount to reflect this and will advise you of such in writing.

Generally no tax is payable on benefits paid under this **Policy** and your premiums will not be tax deductible.

Any tax information given is of a general nature only and is based on current tax laws and our interpretation of them.

We recommend you consult a professional taxation adviser for information on your own tax situation or if you are purchasing this cover for business purposes.

We can cancel your **Policy** if you don't pay your premium when it is due and it remains unpaid for more than one month. In this event we will notify you in writing of our intention to cancel and give you the opportunity to rectify this situation. If we cancel due to non-payment of premiums or if you cancel outside of the 'cooling-off' period no refund of premiums will be paid.

Financial Hardship

In the event that you are facing financial hardship and have difficulties meeting your premium payment obligations please contact us on 1300 355 355 to discuss what options are available to you.

Inflation-protection increases

To assist you in maintaining the real value of your insurance your benefit level will be increased by 5% on each **Policy Anniversary** before you reach age 70.

A new **Policy Schedule** will be issued prior to your **Policy Anniversary** outlining your new **Benefit Amount** and premium. You can choose not to accept an inflation-protection increase by advising Let's Insure in writing at PO Box 1192, Chatswood NSW 2057.
